Sr. No.	Particulars/ Action Point	Action Taken
1	Few topics were overlapped with other courses in the semester - IV. Need more hands-on sessions in the semester – III & IV	Students from heterogeneous background so make them understand concepts and to give more choices to the students we offered flexi credit courses for batch 2019-20 hence topics will not overlapped.
2	Few students were not satisfied with teaching pattern because majority courses taught by visiting faculties	To give more choice to the students we invited industry people to take few portion of the courses and give brief idea about how different methods they have used in different projects
