

Interim Placement Report for Batch 2021-23

Greetings from Symbiosis Statistical Institute!

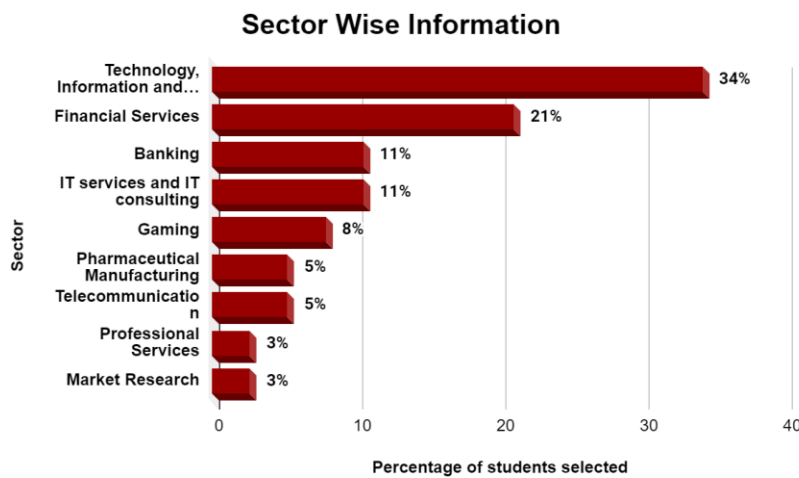

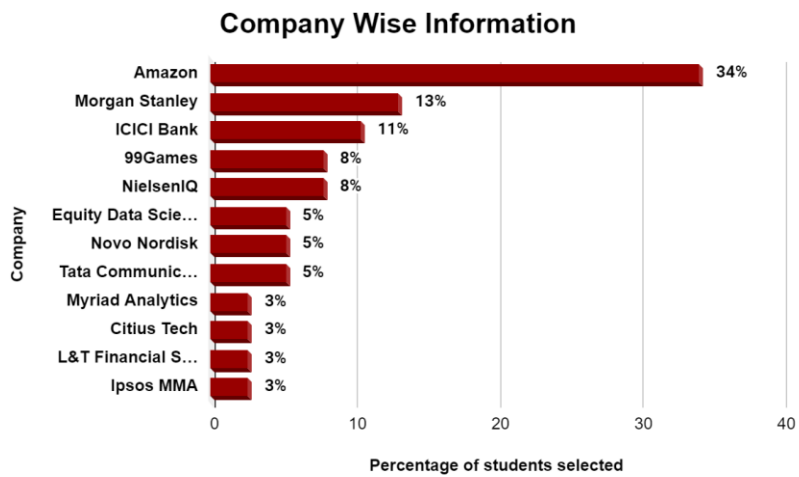

SSI Pune, Under the umbrella of Symbiosis International (Deemed University), is proud to announce that the placement season for batch 2021-23 started on a very positive note. After two years of the pandemic, SSI had both offline and online placement drives, by December 2022, SSI has achieved a 79% of the batch to be placed. Institute's structured interdisciplinary programme, along with an eclectic mix of academic backgrounds and a strong student driven community, has ensured students to achieve professional roles in esteemed organizations.

SSI Pune welcomed recruiters who have shown their confidence in the Institute across various sectors like Financial Services, Technology, Information and Internet, Professional Services, Gaming, Information Services, Pharmaceutical Manufacturing, Telecommunication, Banking, and Market Research. These companies offered profiles like Data Scientist, Data Analyst, Statistician, Business Analyst, Business Research Analyst, Quant Analyst, Analyst, Associate Consultant and Deputy Manager II, etc.

The companies which participated in the placement drive this year until December, 2022 were Amazon, Morgan Stanley, 99 Games, Myriad Analytics, NielsenIQ, Equity Data Science, Novo Nordisk, Citius Tech, Tata Communications, ICICI Bank, Larson and Toubro Financial Services, IPSOS MMA etc.

The highest CTC offered is Rs 18.4 lakhs per annum, and the average is Rs 14.2 lakhs per annum. We are grateful to these esteemed partners for affirming their trust and interest with the institute.

Following are some details from placement season 22-23.

Summary of CTC
